## Roasted Garlic Pesto Sauce (Vegan)

***All of our sauces are: Gluten Free, Trans Fat Free, Low Sodium, and Concentrated***

Roasted Garlic Pesto Sauce is extremely concentrated, which lends itself beautifully to garlic spreads of all kinds. It can be used as a spread for sandwiches, Panini's, and wraps as is, or can be mixed with your favorite condiments. The nutty flavor of slowly Roasted Garlic deepens the complexity of Casa DiLisio's newest Pesto Sauce. This sauce just like your other Casa DiLisio favorites, is extremely concentrated and must be thinned out to use. When the Garlic Pesto is mixed with cream it creates a unique creamy garlic sauce to which you can add anything from Artichokes to Tomatoes and everything in between.

This is a vegan product and can help expand your vegan offerings. We mix a blend of Fresh Roasted Garlic, and Olive Oil together for the perfect texture and most outstanding flavor. The versatility of this sauce is amazing. Some of the most frequent uses are on: Pasta, Sandwiches, Seafood, Chicken, Panini's, Pizza, as well as a host of wonderful dips and spreads.
